I am ok with her wording so please move forward with this through Betina.

Would like to move forward this week on fulfilling Darcy's request for a road map of who is doing what by when so we can provide her an updated projection on draft permit issuance. Do you want to try and draft it on your own first? I have time to meet and discuss today if that would help.

Thanks!

Douglas

Are you OK with Lucita's change as worded below? Would you like me to bring the updated letter back to you or can I take it directly to Betina? I attached the updated letter so you can see the change in context.

Thanks!

Valois

This modified sentiment is fine, but I would re-word:

Ex. 5 AC/DP

Good morning Valois – I agree with Mike Boydston’s comment about re-wording #1 under the letter purpose

Ex. 5 AC/DP

Nor do I, except that I would take out the comma in “National Historic Preservation Act, Section 106 review process.”
